

# Horton Says Read!

Cut out the cards below with an adult's help. Have an adult say "Simon says . . ." and then hold up one of the instruction cards. Like a traditional game of Simon Says, you have to do the action, but first you have to read it! You're out of the game if you do the action on the card without the adult saying "Simon says" first. Make sure to listen carefully, just like Horton does!

Hop like a sour kangaroo!	Do a dance!
Sing your ABCs!	Act like an elephant!
Say "Yopp" like a Who!	Flap your wings like a bird!
Pat your head!	Rub your belly!
